

JEREMY REYES

BIO

Hello, I'm currently a 4th year Statistics & Data Science major with a minor in Digital Humanities at UCLA who transferred from Long Beach City College. I'm a hard working individual who's eager to learn new things and take up a challenge. I also consider myself to be a more creative person, a trait that I like to show in my approach to statistical analysis.

EDUCATION

UCLA Aug 2023 - Jun 2025
Statistics & Data Science B.S.
Digital Humanities minor

Long Beach City College Aug 2020 - Jun 2023
Math Associate in Science for Transfer (AS-T)

WORK EXPERIENCE

UCLA Central Ticket Office Oct 2024 - Jun 2025
Customer Service Representative

- Took phone calls from inquiring customers to deliver quick and accurate information regarding various UCLA-hosted events with friendliness
- Also worked box offices for the same events ensuring accurate transactions and fostering a welcoming environment

Krispy Kreme Apr 2022 - Jul 2023
Cashier

- Managed customer transactions, ensuring fast and accurate account keeping
- Ensured customer satisfaction with timely and friendly service in a fast paced environment
- Maintained cleanliness and safety by sweeping, mopping, and organizing supplies throughout the day and during closing
- Mastered customer service skills in a fast paced environment

Jim's Burgers Oct 2021 - Feb 2022
Cashier

- Navigated a small work space with limited equipment and technology in this small, family-owned business in a resourceful manner
- Ensured fast and accurate transactions despite limitations
- Learned the importance of safety and cleanliness in a small, fast paced work environment, as well as the importance of good customer service

Astar Explorer Nov 2019 - Jan 2020
Teacher Assistant

- Collaborated with instructors in this STEM-focused after school program by creating lesson plans by contributing 3D modeling experience
- Guided students during robotics lessons and science experiments
- Maintained a clean and safe environment by cleaning workstations and clearing possible hazards to children
- Managed the front desk, answering phone calls and providing information to potential clients
